

### Giving Thanks!

Our celebration of the Thanksgiving holiday can be a reminder to teach our children the important character quality of thankfulness. During the month of November, all recreational classes will take a brief moment each week to talk about and discuss what thankfulness is and what we can be thankful for. At ATA, we want students to learn gymnastics; however, more importantly, we want students to grow in character. Let's make thanksgiving a way of life, not just a one-day event!

### Christmas Shows

The signs are clear...a slight chill in the air, streets lined with twinkling lights, an explosion of festive decorations everywhere you look...yes, the holiday season is upon us! At

ATA we love this time of year. We especially look forward to our long standing tradition of Christmas shows! Our shows this year will be held Monday, December 9th- Saturday, December 14th. During this week, all enrolled students will get a chance to perform a choreographed routine which they will learn during their regular class time. This is the perfect opportunity to celebrate what your kids have been learning here at ATA. Please mark your calendars and be sure to invite family and friends. The more the merrier!
