## June 2015

### Character Counts!

In May Gymsters focused on the character building concepts of Respect, Responsibility, Caring and Citizenship. Students loved the silly skits done by our ATA coaches and we loved hearing their ideas about how to show respect to others, be a "caring" friend, be responsible for toys at home, and help their environment by saving water.

I loved watching your children's reactions to our performances. Students practiced introducing themselves to a friend during Caring week which can be challenging for preschoolers, but they rose to the task. Their reactions were priceless when we showed them two different ways to put away toys, what ever you may see at home ALL our Gymsters know how to put away toys responsibly and are BIG HELPERS ;)

I loved seeing your Gymster's art work and enjoyed the stories of how you were making these character concepts come alive at home. Thank you!

### Gymster Theme: Stars and Stripes

June 29th-July 4th Gymsters will get patriotic as we get ready to celebrate Independence Day! Your little firecracker will love collecting lost stars during class to add to ATA's American flag as they tumble through their gymnastics class and practice marching in our Parade! Make sure to wear your best red, white and blue attire to class this week!
