

June is Acro Month

At ATA our team athletes compete in the amazing sport of Acrobatic Gymnastics. They've been working hard all year and are now in final preparation mode as they complete the season at the National Championships in Providence, Rhode Island June 8th-12th. The majority of ATA's team athletes, start-

ed out as recreational students here. Many were first introduced to the sport during one of our Acro Months. It has become a tradition in our recreational program to incorporate this fun sport into our regular curriculum three months out of the year.

Acrobatic Gymnastics works so well in a class setting because it's a partner sport and students can perform skills with their classmates. During Acro Months, instructors will spend a few minutes of class time teaching foundational acrobatic skills such as thigh stands, shoulder stands, candlesticks & basket tosses. We have no doubt that your child will have a blast learning and performing Acro!

- In addition to Acro Month, we are holding an **Acro Clinic on Friday, June 24th** from 5:30 to 7:30pm. Space is limited. Sign up today!
- If you would like more information on our Pre Team or competitive team program, please stop by the front desk.

ATA is the Place to be this Summer!

The clock is ticking...don't miss out on the fabulous activities that ATA is offering this summer! From Parent's Night Out and Sleepovers to a variety of clinics, we've got your summer gymnastics needs covered! Check out our website or pick up a flyer at the front desk for detailed information. Signing up for our summer activities is now a piece of cake...just go to www.atagymnastics.com and go to the Summer Activities link.

Summer Closure

ATA will be closed **Tuesday June 7th through Saturday June 11th** due to our summer break. Classes will resume on Monday June 13th. We will also be closed on **Monday July 4th**. Please note that **makeups are not needed** for this scheduled time off as tuition is based on an approximate average of 4 classes per month over a 1 year period.

June's Safety Tip

In order to make sure that all students enter and leave ATA's facility safely, we require that parents/guardians park and come into the building when dropping off or picking up. Please do not let your children wait outside for pickup. Also, please be on time. Let's all do our part to keep our kids safe!
